Phone: (616) 527-3575 Fax: (616) 527-3562

DISCIPLINE POLICY

The primary concern of the Faith Formation Center is to provide an atmosphere conducive to learning about our Faith for ALL of our students. Actual time spent in class is very limited, therefore the following discipline policy must be enforced at all times. Please read the policy and discuss it with your child, sign the bottom portion and return it to your child's Catechist at the next class. Thank you for your cooperation in this matter.

1. The student will be given a warning from the Catechist.
2. The student will be removed from the classroom to do lessons with the Coordinator of Faith Formation or it's approved representative and a note will be sent home for the parent's signature.
3. If the student needs to be removed from the classroom a second time, the student will call the parents to let them know why they have been removed from the classroom. A conference will need to be scheduled between the parents and the Coordinator of Faith Formation before the child will be allowed to return to class.
